

1.

Would you rather

be told the truth by someone who does not care

or

be protected by someone who does

2.

Would you rather

be trusted with something you might drop

or

never be asked in the first place

3.

Would you rather

be taught by someone strict who is right

or

be taught by someone kind who is often wrong

4.

Would you rather

be remembered for one big thing

or

be relied on for a hundred small ones

5.

Would you rather

find out you were wrong in private

or

be proved right in front of everyone

6.

Would you rather

have a talent you must practise daily

or

have a knack that could leave any time

7.

Would you rather

be given money you did not earn and told so

or

earn it and have nobody notice

8.

Would you rather

say the difficult thing badly

or

say nothing and have it noticed

9.

Would you rather

be the one who asks the obvious question

or

be the one who quietly already knew

10.

Would you rather

be picked first and play badly

or

be picked last and play well

11.

Would you rather

choose your work and never your hours

or

choose your hours and never your work

12.

Would you rather

be forgiven quickly and not quite believed

or

be believed slowly and never quite forgiven

13.

Would you rather

know how a story ends before you start

or

never be able to reread anything

14.

Would you rather

be good at something you do not enjoy

or

enjoy something you are not good at

15.

Would you rather

be ten years older tomorrow

or

be ten years older but remember none of it
