

1.

Would you rather

open every present at midnight and have none left in the morning

or

open one a day and still have three left at New Year

2.

Would you rather

unwrap something brilliant that needs batteries nobody has

or

unwrap something dull you can start using straight away

3.

Would you rather

wake up to snow so deep the front door will not open

or

wake up to one perfect snowman you did not build

4.

Would you rather

build a snowman that melts by lunchtime but waves at you first

or

build one that lasts till March and never moves

5.

Would you rather

eat Christmas dinner backwards, pudding first

or

eat it all at once, mashed into one bowl

6.

Would you rather

have roast potatoes that never run out

or

have gravy that never goes cold

7.

Would you rather

have a tree that decorates itself badly

or

decorate it yourself and have one bauble always fall off

8.

Would you rather

have fairy lights that never tangle

or

have fairy lights that tangle but never stop working

9.

Would you rather

have a reindeer only you can see

or

have one everybody else can see except you

10.

Would you rather

sing every carol perfectly but only when nobody is listening

or

sing them badly in front of everybody and make them laugh

11.

Would you rather

have Christmas Eve last three days

or

have Christmas Day last three days

12.

Would you rather

have hands that are always warm and feet that are always freezing

or

the other way round

13.

Would you rather

put the star on the tree every year

or

be the one who switches the lights on for the first time

14.

Would you rather

have a stocking that refills once

or

have one twice the size that only fills once

15.

Would you rather

be the one who packs the decorations away

or

be the one who has to find them all again next year
