

1.

Would you rather

open every present at midnight and have none left in the morning

or

open one a day and still have three left at New Year

2.

Would you rather

unwrap something brilliant that needs batteries nobody has

or

unwrap something dull you can start using straight away

3.

Would you rather

wake up to snow so deep the front door will not open

or

wake up to one perfect snowman you did not build
